

CDC says, “1 in 500 Injuries Reported”

Can Mandatory vaccines trigger developmental disorders and auto immune diseases?

Are vaccines *REALLY* safe and effective?

Do the benefits outweigh the risks?

Vaccines...Are they Really Safe and Effective? Making an Informed Choice!

An In-Office discussion Presented by Dr. Anne-Sophie Calvez, DC
Hosted By Jenkins Chiropractic

Tuesday, January 12, 2010 6:30pm
